Agenda Approved

Business:
- Last year committee, sponsor review & appreciation
- New Player Introduction
- RBCC individual achievements

- **Captain Remarks (2022) - Team B**
  - 7 wins out of 11
  - Challenge to manage squad and roles
  - Selection challenges to remain
  - Appreciation towards Sponsor, Disciplinary and Execs

- Captain Remarks (2022) - Team A
  - Achieved Playoff in 3 years - Division 1

- Responsibility for T20 relegation from Premier Division
- Potential exists but still room to improve (individual & team)
- Lack of individual skills a major hurdle to compete in T20 Premier

- Appreciation from Selection Committee on transparency, effort, and commitment of Captains and VCs

- **Open Concerns:**

- Imran Holy: Appreciation to Captain and VCs for opportunity to bowl and
- Team prone to injuries and physical fitness not up to the mark.
- Physical Fitness could be criteria to select B team players
- Specific Training Drills with SME
- **Emran Mehedi**: Intent of B team? Professional or Recreational?

- **Sajal**: Team B motto wasn't clear for selection. Made it difficult to select players and give equal opportunity.
- **Pritam**: Internal practice matches could be a viable solution to give opportunities. But there needs to commitment to play/ practice extra matches.
- **Razib**: Possible solutions available are to increase number of games and decide an intent for Team B.
- **Din Bhai:** Leadership challenges exist and open welcome to leadership. Needs to bring in a solution if you're not happy with current leadership style. Increase number of teams is not a solution. Everyone would need to feel to be part of the team by themselves regardless of the opportunity.

Faisal Bhai: Disciplinary Committee - concern with practice attendance. No scope for recreation. Players could be

accommodated but mentality should be competitive. Captain's not ensuring faults are rectified prior to matches.

Sudeepta: Fix a strict by-law to provide clarity on practice session

Team Selection Model (Sudeepta)
Mainly for A Team

- Every single member of the role has defined role (examples)
- Opening batting v Opening Bowling
- Bring in healthy competition
- Individualized/Customized Batting or Bowling Plan
- Competitive

Difference with B Team

- You will be specified a role once you're in the team
- Bowlers are utilized or given the opportunity on their specified role
- Specialized role should be given the first dibs on the game. Decision might change from the captain.
- Points discussed
- **IMPORTANT**: Players specified role will be used to selection process. Competition will be specific to roles instead of a position of team.
- Sudeepta' Role in Selection:

- Proposed Model (Captain, VC, Common selector, Coach)
- Common Selectors role is to make sure team selection is fair, transparent,
- Team A would get the first dibs on the squad players
- Sudeepta is open to review players from Team B if they have high performance.
- Whether Common Selector will be in both the selection group
- Alternate solution - would be have to separate squad for Team A and Team B
- Leadership Team / New Execs to define Sudeepta's Role
- Need for Sudeepta's structure
- AGM structure to be defined/changed with specific agenda (Jon)
- Election Nominations are Open
- Election Committee/Oversee - Din Islam/ Sajal
- Change in nomination/selection:

Personal nomination or motivate someone to nominate.
- Current nominations disclosed

Action Items:

- Execs to send Sudeepta with Sponsor Package
- AGM restructuring to be effective in time and discussion management
